

COVID-19 Reduction of Hours

Beginning 03/20/2020, Iris Vision Care will be open by appointment only, due to CDC guidance requesting Routine Eye Exams cease in the United States until further notice. This was advised in hopes to slow the transmission of the COVID-19 virus.

Dr. Sally will still be available for urgent and emergent eye issues. Please don't hesitate to call or text us at 320-257-4747 if you have an ocular emergency or need contact lenses or glasses ordered. We will get back to you as soon as possible.

We wish all of our patients good health ♥♥

Dr. Sally Jackula, OD
